Goals and Motivation for Gift Buying:

- **Personalization:** Mikko aims to choose gifts that reflect the recipient's personality, lifestyle, and needs. He enjoys buying tech gadgets, but only if he knows they will be appreciated and used.
- **Supporting Local Brands:** Mikko prefers buying from Finnish brands or companies that emphasize sustainability, craftsmanship, and quality.
- **Convenience:** While Mikko enjoys researching products, he values platforms that provide a seamless gift selection experience with curated suggestions, easy filtering, and detailed product reviews.

Conclusion:

“ Mikko is a thoughtful, tech-savvy gift buyer who values quality, innovation, and sustainability in the products he chooses. He is willing to invest time and effort into researching the best options, but also appreciates convenience and efficiency in the gift-buying process, especially when he's pressed for time. ”

Where He Shops:

- **Local & Nordic Retailers:** Mikko occasionally supports local Finnish or Nordic brands that focus on sustainability and quality (e.g., Verkkokauppa, Power.fi).
- **International E-commerce Platforms:** For tech gadgets, Mikko often uses Amazon or specialized tech stores like Coolblue or Gigantti.
- **Subscription Services:** He sometimes buys subscription services as gifts, such as gaming memberships (PlayStation Plus, Xbox Game Pass) or streaming services (Netflix Spotify Premium).

Gift Preferences:

- **For Family:** Mikko buys thoughtful, functional gifts such as smart home devices, high-quality cooking appliances, and eco-friendly technology. He may choose simple-to-use, tech-enhanced things like fitness trackers or smart speakers for his parents or elderly relatives.
- **For Friends:** He prefers to give gaming-related gifts (headsets, controllers, or game subscriptions) to his friends. For his outdoor friends, he might choose sturdy, tech-enabled gear such as smartwatches or solar-powered equipment.
- **For Partner:** Mikko prefers personalized, meaningful gifts, such as smart home devices, expensive headphones, or experience-based gifts like a weekend getaway or good dining.

Motivations for Using Affiliate Gift Websites:

- **Expert Curation:** Mikko values websites that curate the finest options, especially when he is new with a product category or has limited time.
- **Deals and Discounts:** He looks for affiliate websites that offer exclusive deals, discounts, or cashback on purchases through partnerships with brands.
- **Simplifying Research:** He appreciates how affiliate websites simplify the research process by consolidating product evaluations, prices, and availability into one location, saving him time.

Pain Points:

- **Overwhelmed by Choices:** While he enjoys researching tech products, Mikko can sometimes feel overwhelmed by the sheer number of available options, particularly when buying for people outside of his own interests.
- **Last-Minute Purchases:** Mikko tends to procrastinate on gift buying, often leaving it until the last moment and relying on expedited shipping or digital gift cards.
- **Balancing Innovation and Practicality:** He often struggles to find gifts that are both cutting-edge and practical, ensuring that they will be useful to the recipient and not just an impressive gadget.

Ideal Online Gift Website Experience:

- **Personalized Gift Suggestions:** Mikko appreciates websites that offer tailored gift suggestions based on interests, past purchases, and upcoming occasions (e.g., birthday, Christmas).
- **Easy Navigation:** A well-designed interface with filters for tech categories, brands, or eco-friendly options.
- **Detailed Reviews:** He relies heavily on product reviews, expert opinions, and comparison tools when making decisions, so he values sites that provide extensive reviews and user feedback.
- **Sustainability Filters:** A platform that allows him to filter gifts based on eco-friendliness or energy efficiency.
- **Fast, Reliable Shipping:** Given his tendency to buy last-minute gifts, reliable and fast shipping is important.

- **Convenience in Online Shopping:** The individual prioritizes convenience and prefers websites that simplify the gift-buying process, offering direct purchase links and recommendations based on customer reviews or expert opinions.
- **Seasonal Promotions & Sales:** He utilizes affiliate marketing websites to monitor gift deals and promotions during significant shopping seasons like Christmas, Black Friday, and Finnish public holidays.

Pain Points:

- **Lack of Time for In-Store Shopping:** Matti rarely has time to browse stores in person. He depends heavily on online resources to quickly find and purchase gifts.
- **Overwhelming Choices:** Matti can get overwhelmed by the sheer volume of products. This is why he relies on well-curated gift idea sites to narrow down his options.
- **Unfamiliar with Non-Tech Gifts:** Matti sometimes struggles to come up with creative or non-tech options, especially for family members who prefer more traditional gifts. Affiliate sites offering diverse categories help him expand beyond his comfort zone.

Favorite Retailers/Platforms:

- **Verkkokauppa.com:** One of Finland's largest online electronics retailers, offering a wide range of tech gadgets, home goods, and more.
- **Amazon:** Matti occasionally uses it for hard-to-find items or international tech products.
- **Gigantti:** A popular Finnish electronics and home appliance store where Matti often finds tech gifts, either online or through affiliate links.
- **Etsy Finland (for Unique Gifts):** When buying gifts for his wife or family members who appreciate more creative items, Matti sometimes turns to Etsy for artisanal or handmade gifts.
- **Affiliate Marketing Sites:** Matti frequently visits gift idea websites like **FindGift.fi** or international sites that cater to Finnish customers, where he gets curated lists of gifts linked to trusted retailers.
